

## 2010-2011 Computer Science Contest Materials

### JAVA WRITTEN TEST INFORMATION

- Fourteen (14) multiple choices tests written in Java and formatted similar to UIL tests with some AP style questions.
- The UIL Computer Science topic list is used to determine question content. The UIL Comp Sci topic list contains many AP CS topics.
- You may photocopy as needed for all students in your school only.
- To insure test security, individual tests will be mailed or emailed on the Monday following the release date. Previously released tests will be mailed or emailed immediately. There are no shipping charges for orders shipped by email.

**RELEASE DATES** - 10.02 - TBA - TBA - 10.30 - 11.06 - 11.13  
11.20 - 12.04 - 01.15 - 01.24 - 01.29- 02.14 - 02.19 - 02.26

### JAVA PROGRAMMING PACKET INFORMATION

- Four (4) programming practice packets similar to UIL packets.
- All programming problems cover common UIL topics.
- All packets include a student packet, student data files, judges packet, judges data files, and all contest forms.
- You may photocopy as needed for all students in your school only.
- To insure packet security, individual packets will be mailed or emailed on the Monday following the release date. Previously released packets will be mailed or emailed immediately. There are no shipping charges for orders shipped by email.
- Contact me if you need a month not listed.

**RELEASE DATES** - 10.30 - 12.26 - 01.29 - 03.05

Item	Cost	Amount
<b>2010-2011 Written Test Set</b> (14 tests) mailed on the Monday following their release date	\$125.00	
<b>2010-2011 Programming Packs</b> (4 packets) mailed on the Monday following their release date – READY FOR PC^2	\$75.00	
<b>2010-2011 Tests and Packets</b> (14 tests / 4 packets) – Discounted price for purchasing tests and programming packets.	\$ 185.00	
<b>Contest Guide / Hands-on Primer</b> – How to get started and win it all! <b>(UPDATED for 2010-2011 – More Problems)</b>	\$ 75.00	
<b>UIL Computer Science Concentrated Reviews – District / Reg / State – 18 Reviews (UPDATED for 2010-2011)</b>	\$ 85.00	
Previous year's test: 2009-2010 Written Test Set ( <b>14</b> tests)	\$ 85.00	
Previous year's test: 2008-2009 Written Test Set ( <b>14</b> tests)	\$ 85.00	
Previous year's test: 2007-2008 Written Test Set ( <b>14</b> tests)	\$ 85.00	
Previous year's packets : 2009-2010 Programming Packets (4 packets)	\$60.00	
Previous year's packets : 2008-2009 Programming Packets (4 packets)	\$60.00	
Written Test for Invitational Meet to be held on _____ (Item will be sent via EMAIL )	\$ 60.00	
Programming Packet for Invitational Meet to be held on _____ (Item will be sent via EMAIL ) Programming Packets include student data, judges data, student packet, and judges packet	\$ 75.00	
<b>All items are delivered electronically. Items will NOT be mailed.</b>	N/A	
<b>Total Due</b>	>>>>>>
